Part A – Write two professional emails:

Email 1 — Write an email from a student to their professor requesting an extension on an assignment submission deadline. The email must follow all professional email rules.

Subject: Request for Extension on Assignment Submission

Dear Professor,

I hope you are doing well. I am writing to respectfully request an extension for the submission of my assignment. Due to unforeseen circumstances, I have been unable to complete the work within the given deadline.

I sincerely apologize for any inconvenience caused. I am making every effort to complete the assignment to the best of my ability and would greatly appreciate it if you could grant me an extension of a few days.

Thank you for your understanding and consideration. I look forward to your response.

Yours sincerely,
Dilisha
[CSE CORE]

Email 2 — Write an email from a student to an internship coordinator at a company, expressing interest in a summer internship opportunity.

Subject: Inquiry Regarding Summer Internship Opportunity

Dear Sir/Madam,

I hope this message finds you well. I am writing to express my interest in pursuing a summer internship at your esteemed organization.

I am currently a student pursuing my degree in CSE CORE and am eager to gain practical experience in my field. I am particularly interested in developing my skills and learning from industry professionals. I believe that an internship at your organization would provide valuable exposure and help me enhance my knowledge.

I would be grateful if you could provide me with information regarding any available internship opportunities and the application process.

Thank you for your time and consideration. I look forward to your response.

Yours sincerely,
Dilisha

Part B – Create a Social Media Do's and Don'ts checklist:

✅ Do’s

- Maintain a professional and respectful tone in your posts and comments.
- Protect your privacy by adjusting account settings and limiting personal information.
- Share useful, informative, and positive content.
- Verify information before sharing to avoid spreading misinformation.
- Use social media to build your personal brand and network with professionals.

❌ Don’ts

- Do not post offensive, abusive, or inappropriate content.
- Avoid sharing confidential or sensitive personal information.
- Do not engage in online arguments or negative discussions.
- Avoid wasting excessive time on social media that affects your studies.
- Do not plagiarize or share content without giving proper credit.
